

The background of the image is a still life photograph of various fruits. There are several whole and sliced oranges, a grapefruit, and a bunch of red grapes. The fruits are arranged on a light-colored cloth with a blue and green pattern. The lighting is soft, creating a warm and inviting atmosphere.

A circular mirror with a black frame is the central focus. It reflects a clear blue sky and several white daisies with yellow centers. The mirror is placed on a bed of real daisies and green grass. A black metal chain is draped over the left side of the mirror's frame. In the upper right corner, outside the mirror's reflection, a pair of sunglasses is visible.
